**Introducing --**

## **School Spirit**

*School spirit is an essential part of our activities and we, the Senior Class, are proud of the enthusiasm which has been displayed in activities of all types—not only the vigorous participation shown in sports and clubs, but also the lively disposition exhibited in our pursuit of learning.*

*In this publication we have personified this indispensable quality as a tiny elf, paying a year-long visit to our school, and observing the actions of the students.*

*Seeming to the contrary, he is not at a disadvantage because of his infinitesimal size. Rather, he has certain powers of which no mortal can boast, and often, when the need arises, he makes use of them to stimulate our enthusiasm.*

*In the following pages we have portrayed our "School Spirit" watching closely our progress throughout the year. He can easily see to what degree his spirit has influenced our everyday routine and our extra-curricular activities.*

*No doubt, if we were able to hear him speak, our little elf would exclaim: "Because of the spirit of sportsmanship, cooperation and good will shown in all activities, I'm proud of Lincoln High students. I'd like to continue to work and play with them by making L. H. S. my permanent home."*

*For the majority of us our graduation will be the end of our school life; but if we are able to apply this familiar spirit to our endeavors in future years, we shall certainly make a success of them.*

*With this thought in mind, we, the class of Nineteen Hundred and Fifty-One, are proud to present our yearbook, the ELLWOODIAN.*

## Administration extends official welcome.

J. ELLIS BELL, *Superintendent*  
B. A., Westminster College;  
M. A., Columbia University.

JOHN A. SHEPLEY, *Principal*  
B. S., Edinboro State Teachers College;  
M. Litt., University of Pittsburgh.

Mr. Bell, as superintendent of our schools for the past thirteen years, has always had a genuine interest in the expansion of our school facilities and the betterment of the educational program in Ellwood City.

Our new principal has best exemplified school spirit in his clever way of expressing himself and his keen sense of humor. His helpfulness and sympathetic understanding of our various problems have made him a friend to the whole school.

## Seniors--co-workers of the Spirit

Mr. Clayton Houk

Mr. Malcolm Wilson

*Clayton L. Houk*

School Spirit this year was "right-hand man" to two "wonderful guys." Who else could they be but our class advisers, Mr. Clayton Houk and Mr. Malcolm Wilson? Mr. Houk found himself urging us to try out for the class play in the midst of an American government discussion, and algebra class was never complete without a lecture from "Mac" on the solution to the problems of class finance by the payment of dues. All our achievements were due to their excellent guidance and we're very proud of them and grateful to them.

In the four years that we have been students in Lincoln High, we have made great progress not only in scholastic achievement, but also in the process of preparing ourselves to assume our positions in the future.

From the prescribed studies of the ninth grade we have moved to the more liberal curriculum of the senior year. Along the way we have encountered many experiences which we shall never forget. Our participation in club activities and sports provided many happy hours even in our underclass days. The highlights of our Junior year were "Don't Take my Penny," the class play, and "Maytime Magic," the Junior-Senior prom.

This year our class provided the leaders of all club, sport and musical organizations. Senior Day, the All-State Chorus, the Senior Class Play, and the Prom climaxed our last year.

This progress was made under the direction of our class officers: President, Ray Colavincenzo; Vice-President, Al Jermonie; Secretary, Celeste Battilocchi; and Treasurer, Dorothy Schuster.

SONG OF THE CLASS OF '51

High school days are now through,  
And we have to say goodbye.  
How we hate leaving you, we'll miss you, dear Lincoln High.  
Throughout all our days, Where'er be our ways,  
Always we'll remember you.  
Football games, and the plays,  
The dances, the clubs we've had—  
Each of these now relays, thought to our hearts, so sad.  
On this you can bet—We will not forget  
All your teachings and friendships true.

## The Junior Class

JUNIOR CLASS OFFICERS

Dale Hazen, L. Shaffer, B. Anderson, Gills

The Junior Class officers were kept busy with the responsibilities of leading their 250 classmates. Although active in other school affairs themselves, they were occupied with collecting dues or making arrangements for the class play or the prom.

The president, Blaine Anderson, is a well-rounded student with diversified activities. He belongs to the Key Club, Art Club, I. C. C. and the track team.

Dale Hazen, vice-president, is also an active member of many groups—Key Club, Hi-Y, and Concert Choir.

Shirley Gills, the secretary, belongs to Hi-Y, I. C. C. and the Rainbow Girls. She was also a reserve cheerleader.

The class treasurer, Lynne Shaffer, is a popular girl. Lynne is a member of the F. H. A., Tri-Hi-Y and Senior Dramatic Club.

The Junior Class has again led the way in enrollment of approximately 250 students, whose active participation in the various extracurricular activities exhibited an overabundance of school spirit. With the able support of the Juniors were given to the school by Mr. John King and Mr. Laurence Flinner, class sponsors, they have had a memorable year.

From the very first week of school these students turned to the leadership of Tri-Hi-Y, Hi-Y, Future Homemakers of America, Key Club, I. C. C., and other organizations open to all. Many of the Junior boys represented their school in football, basketball, and other sports activities.

In January, an assembly was presented by the class in which student Juniors danced, sang, and enacted humorous skits, all to the delight of the audience.

March arrived with nineteen Junior Class members feeling rather jittery, for on March 1, and 2, the annual Junior Class Play was presented. The play, "Junior Miss," directed by Miss Marjorie Lostetter, was one of the most successful ever presented in the high school. Both performances were made to record-breaking audiences.

The event of the school year most looked forward to was the Junior-Senior prom, held on May 18. The Prom, "An Enchanted Island," was exotic with its colorful decorations, smooth orchestra, and delightful refreshments. The all-out efforts of the entire class made this an evening long remembered.

As the class moves into its senior year, we feel confident that the willingness to cooperate, displayed so powerfully this year, will be rewarded, and that the school year '51-'52 will be one of the best Lincoln High School has ever had.

A black and white photograph of a large group of young women, likely a choir or a group of students, posing in several rows. They are wearing light-colored, possibly white, dresses or uniforms. The photograph is grainy and has a vintage appearance.

A black and white photograph of a large, ornate, multi-tiered structure, possibly a monument or a large vase, with intricate carvings and a central column. The structure is highly detailed with various carvings and patterns. It has a central column and is surrounded by a base with many small, repeating elements. The overall appearance is that of an ancient or classical artifact.

A black and white photograph of a large group of people, likely a church choir or a formal group portrait. The group consists of approximately 30 individuals, mostly women, arranged in three rows. The front row is seated, while the middle and back rows are standing. They are dressed in formal attire, including long dresses and suits. The background is dark and indistinct, possibly an interior setting with a large window or a stage backdrop. The photograph has a slightly grainy texture and is framed by a dark border.

## Musical Capers

No successful band year would be complete without the Band Banquet, which was held at the new Moose Temple on November 16. The colorful air of the approaching Thanksgiving season was the theme of the dinner. After the dinner Mr. Weinstein presented the letter awards to the following senior band members: Ray Miller, who had 7 years service; Lilhan Cannavine, 7; Polly Fox, 6; Bill Nicholas, 6; George Gobrich, 5; Dick Barnhart, 5; Don Plassemeyer, 5; Norman Smilek, 5; John DeLoia, 4; Marguerite Nanni, 3; Matilda DeCampi, 3; Phyllis James, 2; Malcolm Eady, 2; Jerry King, 2; Carmen Biondi, 1; and Monna Daub, 1. The following majorettes also received letters: Pat Gibbons, 2 year's, and Ida Joseph, 1 year's service.

In addition to the regular band there is a smaller ensemble. This group is always ready to provide entertainment for intermissions at class plays, and school and community functions. The repertoire of the ensemble is made up of pleasing popular and semi-classical numbers.

This year, as in the past, Ellwood was honored by having ten of its talented musicians attend the annual PMEA Mid-West Band held at Hickory Township, February 1-3. These members were: Lilhan Cannavine, Bill Nicholas, Joe Ierullo, Victor Fera, George Gobrich, Ray Miller, Carmen Biondi, Dante Piacesi, Andy Justine, and Bill Thayer.

Joe Ierullo and Lilhan Cannavine were selected to represent Lincoln High at the All-State Band, held in Farrell, March 15, 16, 17.

The Lincoln High School Band, after rehearsing diligently for five months, presented on May 11, a superb concert which included selections ranging from the classical "Pique Dame Overture," to the light, gay tunes from the Broadway hit, "Kiss Me Kate," and some "solid sending stuff" such as "Dry Bones" and "The Ballad of the Flag." The following solos were included in the concert: Accordion solo, Mary Ann Lauber; Clarinet solo, Bill Nicholas; Piano solo, Barbara Streeter; Trombone solo, Joe Ierullo; Tuba solo, Bill Thayer.

No band can function properly without leadership. The Executive Council for 1950-1951 was composed of the following officers: Bill Nicholas, president; Joe Ierullo, vice president; Lilhan Cannavine, secretary; and Andy Justine, treasurer. With the help of these officers and the indispensable guidance of the conductor, Mr. I. B. Weinstein, the band has had one of its most successful years.

Participating in one of Lincoln High's choirs provides a pleasant diversion from the daily routine of study. The choral department this year was comprised of six choirs with a total enrollment of 300 students. These six choirs were under the capable direction of Mr. Paul Gehm and Mr. Nelson Maurer.

The chorus gave two successful concerts this year, one during the Christmas season and one in the spring. Both of these concerts featured numbers with unusual stage effects. Among these specialties were lively dances during the singing of "Chiapanecas" and "Tzena," a nativity scene for "Silent Night," and a snow storm in the midst of "White Christmas." Numbers by Carolyn Baer, Don Rocco, Joyce Young and the Girls' Sextette were added attractions.

Deserving of special mention is the Mixed Choir, the largest choral group. Their perfected renditions of religious and popular songs in the Spring Concert were outstanding.

Both girls' choirs worked hard to acquire the light, airy effect that can be achieved only by a

group of girls. Their numbers for the concerts were well chosen and beautifully done.

When the dates for the concerts drew near, members of the Boys' Choir gave up part of their lunch hours for practices, since there were no regularly scheduled rehearsals for this group.

The Concert Choir won acclaim especially for its "project of the year," "'Twas the Night Before Christmas," arranged by Fred Waring. As for the "little angels" of the Soprano Boychoir enchanted the audiences with their rendition of a Mozart lullaby.

Several of Lincoln High's choristers were honored by being accepted for the Mid-Western Choral Festival held in New Bethlehem, Pa., on January 11, 12, and 13. They were: Barbara Streeter, Joyce Young, Bob Streeter, John Skoczylas, Don Rocco, and Christy Sporn. In addition to these, Carolyn Baer, Dick Anderson, Frances Edwards, Shirley Gills, and Don Hazen were chosen for the All-State Chorus which was held at Lincoln High during January 8, 9, and 10.

## *Pennsylvania's Best gather at Lincoln Hi.*

"The Pennsylvania All-State Chorus of 1951 was the best I have ever directed," exclaimed the capable leader, John Raymond, director of music at Lafayette College, Easton, Pennsylvania.

Over two hundred students from all over the state of Pennsylvania journeyed to Ellwood City on Wednesday, 8, 9, and 10 to enter their voices in song at the All-State Chorus Festival held here.

Regular rehearsals were held Thursday afternoon and Friday morning. Friday afternoon the choir presented a preview of the concert

which was to be given that evening.

The concert Friday evening was both stirring and inspiring. The best voices of Pennsylvania's high schools were combined under excellent direction. Following the concert, the "All-Staters" were feted at a party in the gymnasium.

The magnificence of Saturday evening's performance equaled that of Friday's concert.

After the last song, the tired but happy students departed for their home towns, taking many pleasant memories of Lincoln High School with them.

The Lincoln Hi Wolverines raised the curtain on their 1950-51 football campaign on September 8, by stopping a powerful Erie Strong Vincent eleven 20-7. Graham scored the first touchdown of the season on a beautiful pass interception. Tammaro and Friello were also on the scoring column, while the Ellwood line played a very outstanding game.

The Wolverines traveled to Vandergrift September 15, only to tie the Lancers 13-13. Cowan scampered 40 yards for one of Ellwood's touchdowns, with Burns scoring the other. Two Lincoln linemen, Alfonso and DeCaro, played exceptionally outstanding football in this game.

Our second victory was scored over the Rams of Rochester Hi, whom the Wolverines overpowered to cop a 12-6 verdict on September 22. The boys worked as one great unit with Friello starring on the offense and Tammaro scoring both touchdowns for E. C. H. S.

The next week the Blue and White journeyed to Bradford and met their first defeat of the season. Cowan scored Ellwood's only tally in the 19-7 decision.

The Wolverines staged a quick recovery, however, and dumped Sharon High on the local grid-

iron by the score of 7-6 on October 6.

With the Wolverine backs showing great running power, the line paved the way for a 20-12 victory over Midland. Tammaro scored twice on sprints of 64 and 32 yards. Friello scored the other touchdown.

Ambridge rolled all over the Wolverines on October 20, handing them their worst defeat since 1922. Foley scored the lone Ellwood tally.

Still on the losing side, the Wolverines bowed to a superior New Kensington team in a 7-2 battle. Once more Foley scored for the local team.

In the final game of the season, Ellwood City returned to the winning side of the ledger. Playing in a steady downpour, the Wolverines scored an impressive 14-0 win over Beaver Falls. Cowan and Tammaro did the scoring for Ellwood, and Wolfe played outstanding defensive ball for the Wolverines.

Of the 22 lettermen from this year's squad, twelve were seniors. These gridiron heroes were: Alfonso, Biscaglia, Boydell, Conte, DeCaro, Foley, Friello, Nido, Rocco, Taylor, Verone; and Wolfe.

The Junior High Wolverines opened their 1950-51 football campaign with a thrilling 7 to 6 victory over the Aliquippa Jrs. on the Lincoln High gridiron. They scored on a line plunge by Evans, with Rutter scoring the extra point.

After leading Beaver Falls throughout the next game, E. C. fell behind with only two minutes remaining in the game. On the first play after the kick-off return, Rutter passed to D'Amico who raced 40 yards for a T. D.

The little Wolverines had no trouble in beating the New Brighton Jrs. 21-0. Rutter, Evans, and D'Amico scored the touchdowns.

Ambridge Hi traveled to Lincoln High to suffer defeat at the hands of the Wolverines. Rutter tallied twice for Ellwood and Pace scored the third T. D.

The Ellwood Jrs. journeyed to Meadville for the final game of the season, to crush the Meadville Jrs. 28 to 6. E. C. scored twice in the second quarter and twice again in the third quarter on runs to Rutter.

The little Wolverines were the third ranking team in W. P. I. A. L. standings. Congratulations, Jr. High.

The 1951 Junior High basketball team played eleven games in their short season, winning eight and losing three. Six of these were league games in which the Junior Wolverines broke even, winning three and dropping three.

The young representatives of Lincoln High started the season by traveling to Rochester and defeating the smaller Rams by a decisive score. Junior High swept through the rest of their non-league games defeating Marioning Jr. High twice, Patterson Township once, and Rochester again in a return meet.

In league competition, Ellwood Junior High played Aliquippa, Ambridge, and Beaver Falls on a home and home basis, playing one game at the home of each team. In these games the Juniors defeated Ambridge once and Beaver Falls twice.

Next year, coach Lord McCanna will have to mold a new team, for he will lose his first and second teams through advancement in grades. First-team Junior High players who will be joining the varsity reserve ranks next year are Sheldone, Gardner, Guy, Bonta, Ambrose, Skoczylas, and Iseman.

The Edwood City Wolverines played twenty-two games this season. Ten of these were non-league games, and the remaining twelve were Section III contests.

Coached by Mr. Charles Wallace, the team won six non-league games and dropped four. Among the low-thrills they defeated were two Class A and two B playoff teams — New Brighton and Vandergrift.

Another high spot in these games was the sharpshooting of Bert Starr, who was to make himself known as one of the best forwards ever to play for the Blue and White. He set two records by scoring 31 points in the section III contest with Kent, the final score of which was Edwood City 49, Kent 56.

The Wolverines started their Section schedule with a sore note by losing to Farrell, 51-39, on the home court. They bounced back to Amherst, 34-34 before scoring a Section victory by defeating the Beaver Falls Tigers, 40-38. A plucky guard, Paul Marshall, led both teams in the scoring department with 15 points.

The Lincoln boys then traveled to Altoona

Although they gave the undefeated Indians good scare, they lost the game in an overtime period 49-45.

In one of the best games of the season, the leaves crumpled lightly covered Section, 49-37, in the Lincoln game. Starr, overtook Edwood in the last two minutes of the game, but found a match to the fighting Wolverines. With 20 seconds left to play, Cat. For more drive in for the winning try.

Then the local team hit a series of tough breaks, losing the next seven Section games. During this stretch it was interesting to watch Starr spearhead the Section scoring leadership. The end of the season found him in 16 place.

Edwood City wrapped New Castle by a score of 49-39, in the final contest of the year, winning up in 16th place in W. P. L. A. I. Section III.

Senior members are John Nordin, Alvin Young, Bert Starr, and Paul Marshall. Although this boys will be leaving Mr. Wallace when we no longer are, two experienced reserves in the line-up next year.

## *Trainers in cooperation as well as skill.*

Few of us realize the responsibilities of a coach to his team as does the team itself. These men have the double job of studying and creating new methods of coaching, and applying them as clever players.

They are responsible for building teams which will win the support of the student body and meet the expectations of the local fans. More important, they are faced with the task of molding student character traits into those of true sportsmen.

Their job is not an easy one, for it requires many hours of extra work. A good coach must have patience, careful observation and a keen knowledge of the particular sport.

We are fortunate to have such capable men as coaches at Lincoln High. We are grateful to Mr. Croft, Mr. Gills, Mr. Wallace, Mr. McCanna, Mr. Blaine, and Mr. Rogers for their tireless efforts in organizing and training teams of which we can be justly proud.

Behind the scenes of every game this year were four boys who were almost as important as the players themselves. Bob MacDonald, Bill Marcello, Carl Meise, and Tom Langhel were the unsung heroes.

A typical evening in the life of a manager goes something like this: At five o'clock, an hour before the reserve players are due at the gym, the boys begin putting the uniforms into the right lockers and cleaning the balls and shoes.

When the players arrive, the managers are kept busy passing out candy bars, chocolate milk, shoestrings, and other essentials. After the reserve game is over, the same process is repeated with the varsity team.

When the final game is ended, the managers put everything in order again.

To these untiring supporters of the team, we say: "Good work, boys—keep it up!"

The Lincoln Hi baseball team played one exhibition game and ten league games during the 1950 season, winning four of the league games and dropping six.

Ellwood City started the season when they defeated the Wampum Indians 7-2 on the Ewing Park diamond.

The Lincoln Hi boys blasted their way to an early two-run lead, then were content to coast their way through the remaining innings of the contest. The Wolverines looked good in this game and faced the league games with confidence.

But the Wolverines lost to Aliquippa, 6-3, in the opening league game. Shaffer and LeViere both pitched professionally for the locals, but the Quips started with an early lead which could not be overcome.

Ellwood lost another game to Farrell by a 5-4 score before they spotted the victory trail.

Then they white-washed Beaver Falls, 9-0, behind the two-hit pitching of Martin. Ron further added to his credit and helped to win his own game by doubling and driving in a run.

But weak defensive fielding cost the Wolverines a pair of ball games, one with Sharon, lost by a score of 8-4, and the other with Aliquippa which, after seven innings, went in the books as a 7-3 defeat.

However, the sting of those two defeats was partly removed when the Ellwoodians dumped the Sharon Tigers, 7-6, in a return engagement. Ellwood City lead the game from start to finish, and Martin went the distance to chalk up his second win of the year.

The locals split the next two contests, losing to Ambridge, 4-1, and winning their second encounter, with Farrell, 6-3. In this game LeViere came through to pitch his first win of the season.

## Can He be looking for Big League material?

In the final ball game Ellwood City came from behind in the tenth inning to outscore Ambridge 7-6. This conflict went three innings over the seven inning regulation period and Ellwood City's Paul Marshall, who has been named his high school's All-American, hit a home run. The scrappy second baseman drove in two runs, and scored the winning tally himself.

Graduates of the Class of 1950 were: Richards, Dombek, Shaffer, Giovannini, Martin, Hall, Fowler, Snare, and DeSanzo.

When the 1951 season opened, Mr. Cook, coach, found that Marshall, Brown, Percy Burns, Kaldy, Cowan, Petrak, Cragle, and Smilek formed an experienced squad.

### GYM CLASSES

This year more emphasis has been put on gym activities in classes than in former years. Mr. Ansell, director of boys' physical education, has developed a widely varied program which includes many phases of work in sports and gymnastics. Besides offering training in the better known sports, as is shown in the above pictures, Mr. Ansell has also introduced games such as soccer, speedball, and field hockey which are growing in popularity with the students.

Miss Kuben, girls' instructor, has likewise directed her efforts toward providing her classes with a diversified program of sports and games.

Both instructors inaugurated tournaments in volleyball and basketball and organized testing systems which enabled them to classify the students into groups of different physical skills.

### GYM TEAMS

The Lincoln High gym team, less active this year than in former years, nevertheless has participated in three exhibitions and two meets.

The members of the squad practiced frequently throughout the year under the direction of their coach, Mr. James Ansell. They gained skill and perfection in tumbling, rope climbing, and work on the horse, parallel and horizontal bars, and other apparatus. This practice, besides building strong bodies, developed careful timing, balance and coordination.

Much to the delight of the hometown fans, the gym team put on exhibitions in the Lincoln gym and on the football field. Perhaps the most outstanding of these was the exhibition which was staged during Pennsylvania Week, in October, commemorating commerce and industries of the Keystone State.

This tableau was appropriately named "Men in Silver," and was effectively done by six members who were covered with silver paint. They created many striking poses which inspired the applause of the spectators.

The gymnasts, led by Captain Ronald Nye, also put on exhibitions both in a Junior High assembly and during the half-time interval of the Ellwood-Beaver Falls basketball game on January 12.

On April 7, DiFrishia, Toland, Nye, McCarthy and McCowin participated in the State Meet at State College. These five placed second in entire meet.

A week later, on April 14, the locals traveled to McKeesport to take part in the A. A. U. Meet. The nine boys entered in this meet were Nye, Smilek, Wright, DiFrishia, Toland, McCarthy, Noss, McCowin, and Bosley.

This was the last gymnastic showing for the

three Senior members, Nye, Smilek, and Wright.

Coming into the limelight more and more each year is the idea of girls' participating in gymnastics. This trend has established itself in our high school, and it has brought about the formation of the Girls' Gym Team.

Under the supervision of Mr. Ansell, the girls are performing the numerous feats executed by the Boys' Gym Team. Their regular practice is every Thursday evening in the big Gym.

Their acquired skill, combined with their natural gracefulness, made an entertaining spectacle at the various pageants in which both the Boys' and Girls' Gym Teams participated. Among these was the exhibition at the Ellwood-Beaver Falls basketball game. Because of the fact that no annual exhibition was presented this year, these demonstrations constituted their main activity for the year.

### TRACK TEAM

Track, a recent addition to Lincoln High sports, is beginning to attract much more attention as it gains popularity. The E. C. H. S. track team participated in four track meets during the 1950 season, the second year of its organization. The team, lacking experience, was unfortunate in losing all four of its meets, one each to Butler and Beaver, and two to New

Castle. At the invitational meet at New Castle, the Wolverines placed third, with five teams competing. Lou Lopez, Ellwood's ace trackster, was the only Wolverine to enter the W. P. I. A. L. finals. Clyde and Colavincenzo, the only lettermen who will be back for the 1951 campaign, will form the nucleus of this year's team.

### G. A. A.

The girls in G. A. A. have combined their mutual liking for athletics with an ability to work well together. They take part in competitive sports among themselves, and also with other girls from high schools of the surrounding districts.

In this organization, each member can improve her ability in the activities she enjoys most. Some of these might be basketball, volleyball, bowling, softball, or hiking.

This year the G. A. A. has played two basketball games with the girls of Zelenople High School. They lost these two games, largely because the Zelenople team has had more experience. However, Margie Smilek, an Ellwood player, was high scorer in both contests.

Under the capable leadership of Miss Giovannini, these girls have spread their enthusiasm about G. A. A. throughout the whole school.

Knowing that their school is behind them in every respect makes the members of any team want to win. Our cheerleaders have done well their job of backing the team all the way.

Our varsity cheerleaders worked hard and vigorously trying new cheers and perfecting old ones. We'll always remember Mary Cotter for that morale-boosting smile; Elie Chima and her inexhaustible pep; Evelyn Dawson and her perfect cheering form; Celeste Battilocchi and

"C'mon, you kids, yell!" Sally Wilson's undying faith in the team; and Pat Thompson with her determination to "win that next game."

This year's cheerleading proved that there will be excellent material for the next few years. Our reserve cheerleaders could always be depended upon to support their team at the reserve games with enthusiastic yells; and our Junior High girls should be given a few cheers themselves for the fine job they have done.

The French Club has completed one of its most active years under the direction of Mrs. Cole. Its primary purpose is to give its members better understanding of the ways and customs of France. The sixty members of the club visited the North City Rooms at the University of Pittsburgh during the spring.

The Haylott Hoedown, co-sponsored with the Spanish Club, was one of the big social events of the year.

"How do you say pizza in Spanish?" You could have heard this shouted above the confusion in Room 109 on January 17. The event was the Spanish Club's playing host to the French Club at a Pizza Party.

The sixty-four members of the Spanish Club meet every month to stimulate the interest in Spanish culture. The social calendar of the club included a spirit dance in February and a trip to Pittsburgh in the spring.

*Dramatics and art for young and old alike.*

"To develop prose and fundamental skills in play production," is the purpose of the club. Made up of only two members and sponsored by Miss Metz, the club alternates weekly with the Senior Dramatic Club in the daily Bible readings.

A trip to the Nixon, several parties, and a banquet in May filled the social calendar.

Our art lovers are organized to serve both the school and the community and to enjoy the companionship of fellow artists. Directed by Miss Palmer, they supplied us with decorative dance themes and clever posters. Their successful "Foot-l-l-l" was the first dance of the year. A trip to Carnegie Museum in Pittsburgh high-lighted their social activities.

Thirty-five Juniors and Seniors, selected for their ability and scholastic standing, make up the Senior Dramatic Club, which annually presents a play in Lincoln High's auditorium. This year's production, "January Thaw," given on December 7, and 8, was under the capable direction of Miss Marjorie Lostetter, club adviser. A great success it dealt with the difficulties of a New York family who become snowbound in their country home in Connecticut. "The Big Snow" of last November proved the timeliness of the production.

The general meetings of this club are held on the first and third Wednesday of each month and are conducted by President Jerry King. Although a three-act play is their project of the year, the dramatists also present programs for assemblies and for many civic organizations.

In addition to the annual banquet, the club has social activities this year included several dinners, a Halloween party, a picnic and a trip to Pittsburgh. On the Pittsburgh tour, the group visited the Nixon home station, KDKA and television station WDTV.

Key Club is made up of fourteen Seniors, fourteen Juniors, and seven Sophmores. These boys are chosen for their scholastic and extra-curricular records, based on participation in dramatics, music, sports, scholarship and leadership. The club holds its meetings, led by President Paul Marshall, every other Monday night. Key Club members are regular guests at the dinner meetings of the local Kiwanis Club, sponsor of the club.

Ushering at plays and concerts, selling at games, and cleaning the court are some of the Key Club's activities. It also makes trips to plants in this locality in order to get a better idea of working conditions and labor and management problems.

Seven members of the club attended the State Convention in Reading, March 16 and 17, and several will attend the National Convention in Miami, Florida, in June.

*Thru service and hobbies we grow closer.*

PHOTOGRAPHY CLUB

Row 1, bottom, left to right: Mr. Olmstead (Advisor), Krestel (President), Dimec (Vice President), M. Palipchak, C. Baird, Cataldo, Lutz, F. A. VanGorder.

The smallest, but one of the most active, organizations in the school is the Photography Club. Its purpose is to promote a greater interest in photography and to improve photographic skill among the students. The sixteen members of this club, presided over by John Krestel, enjoy talks by professional photographers, visits to commercial studios, and field trips.

Photography Club members are on hand to take pictures at many school affairs. The activities of this club provide a very profitable and enlightening hobby for its members, one which may be successfully carried on in post-graduate days as well as in school.

The Ballerina Ball, a joint undertaking with Hi-Y, was the principal activity of the Tri-Hi-Y this year. In addition, the club helped at concerts and sports activities and aided needy families during the holidays.

Hi-Y, like Tri-Hi-Y, is a service organization. It is made up of about fifty senior high boys. This year the group sent one representative to the national Older Boys' Conference, and four representatives to the State Conference at Johnstown.

The image consists of three black and white photographs arranged vertically. Each photograph shows a large group of people, likely students, standing in rows outdoors. The top photograph shows a group of about 40 people, mostly young men, standing in several rows. The middle photograph shows a group of about 30 people, also mostly young men, standing in several rows. The bottom photograph shows a group of about 20 people, mostly young men, standing in several rows. The people are dressed in formal attire, including suits and ties. The background is a plain, light-colored wall or fence.

Their bi-monthly business meetings featured speakers on subjects of interest to the group. On holidays they made favors for the local hospitals. The social activities for Y-Teens included a weiner roast, a swimming party, and a Mother and Daughter Banquet. Their annual formal dance, "Moonlight Magic," was a highlight of the year.

Throughout the year these students shouldered a great many responsibilities. In order to promote a feeling of good will among schools in the Beaver Valley, representatives visited these schools and played host to students from them.

They also performed many services to Lincoln High School. Autumn Friday afternoons were livened by pep rallies with ICC members in charge. These affairs were highly successful and contributed greatly to the school spirit which supported the team.

## *The hells --Echo-- the news of Lincoln Hi*

The "bigger and better" Lincoln Echo is published monthly by the students who are interested in journalism. Within the pages of the paper the staff gives us everything from the most current activity or gossip to next spring's styles.

This year the capable Editor-in-chief of the Echo was Celeste Battilocchi, who was aided by Miss LaRue Craig, sponsor of the paper.

In January the staff held a Pizza Party, which was featured in the February edition of Roto, a nation-wide, teen-age newspaper.

The members of the editorial staff come from all classes—8 through 12. While some students look to the Echo as a source of literary expression, many find opportunity to foster interests in art and photographic work. Others develop business acumen as members of an active business staff.

Throughout the school year, the largest Ellwoodian staff ever organized has been working to produce a yearbook which includes numerous original features. With long and steady work, the staff met all deadlines and was prepared to present the yearbook on the scheduled date. Bob Streeter undertook the job of editing our ELLWOODIAN with the help of his twin, Barbara C. as Literary Editor, and Mike Perry as Layout Editor.

Early last spring, as soon as the remainder of the staff had been chosen, the theme for the yearbook was decided upon. At once the editors started work on their various sections.

At the beginning of this year the work was

resumed in earnest. Our hardworking photographers took pictures of many activities. The various editorial groups began their tasks of write-ups, paste-ups, lay-outs and art work, under the direction of Miss McKnight and Miss Wadhinger, co-sponsors. We were very proud of Jim Hutchinson's original design for our cover.

Business staff members, led by Al Jerome, and with the invaluable aid of Miss Wooster, handled the most successful magazine campaign the Ellwoodian has ever conducted.

Although everyone was hurrying to finish for the deadline of March 18, there was one thing kept in mind—the production of the best LINCOLN WOODMAN Lincoln High has ever published.

## *Traveling thru the year with classes.*

### "TAKE A LETTER, PLEASE."

Students of the commercial course prepare themselves for stepping into the business world in the finishing study, office practice. This subject puts the final polish to commercial subjects by correlating the various fundamentals learned in typing, shorthand, and bookkeeping. In addition to learning the use of many business machines, the students have many opportunities to serve in a secretarial capacity.

GIVEN:  $\angle A = 27^\circ$ ,  $AC = 5$ ; PROVE—

Plane Geometry lays the foundation for the higher mathematics of second-year algebra, trig and solid geometry. In order to meet the mathematical needs of all students, the math department also offers courses in business arithmetic and advanced math. These provide reviews of the fundamentals of arithmetic used in everyday living.

### "FIRE BURN, AND CALDRON BUBBLE."

The wonders of the test tube are revealed to the Seniors through the carrying on of various experiments in chemistry class. The preparation of strange and mysterious compounds, the reaction of various elements when combined with one another, the study and use of various formulas—all are a source of constant bewilderment, delight and amazement to Seniors who take part in this study.

### LOOK, LIFE, HOLIDAY

One of the many phases of grammar and composition studied in tenth grade English is an examination of the type of literary material found in the magazines most popular in America today. Sophomore English provides a transition from the study of grammar in the Junior High years to its application in the literature courses of the upper classes.

### VOLTS, AMPS AND OHMS

"A toy electric train run by a 6-Volt battery requires 2 amps of current. What is the resistance?" This is one of the many problems solved by experimentation and mathematics in physics class. The application of the subject to practical problems is the primary objective in this class.

### GRAMMAR FOR THE LAST TIME

The majority of the senior year is devoted to the study of the great masters of literature. However, early in the second semester a few weeks are devoted to a final review of the basic rules of grammar.

### HANDY MEN

Many boys elect to work one period a day in a maze of wood lathes, electric saws and other shop machines. Vocations and hobbies often result from the skills developed in this course.

The articles the boys make become their own property.

### "TO BE OR NOT TO BE"

"Should Universal Military Training be adopted in the United States?" This widely-debated subject is one of the many problems of national interest studied in Mr. Houk's government class. In this class current events are often investigated by means of panel discussions which have been organized by the students.

### 'COME ON, TEAM, LET'S GO!'

"Make that basket!" An understanding of the well-known sports of the day, as well as an opportunity to participate in them, provides many pleasant hours for sports enthusiasts in girls gym classes. Besides engaging in competitive sports, the girls master marching and drills and complete athletic badge achievement tests.
